

## Note of Editor in Chief

Dear authors,

**Journal of Women's Entrepreneurship and Education** publishes peer-reviewed articles online in an open access format, after a careful selection through a double-blind peer-review process. The journal encourages both empirical and the theoretical contributions of the approaches to gender. Besides the original papers we welcome the papers from other scientific categories - position papers, letters to editors, research papers, reviews, and syntheses as well as book and conference reviews.

Best wishes and thank you in advance for your contribution to the **Journal of Women's Entrepreneurship and Education**. I would like to thank especially the guest editor, *Ass. Prof. Aidin Salamzadeh*, for his endowment to this issue.

At last, I can only wish you lots of professional success in New Year 2022.

Yours faithfully,  
Prof. Dr Mirjana Radović-Marković,  
Editor in Chief
