

Notes from of Editor-in-Chief

The Journal Women's Entrepreneurship and Education (JWEE) seems to be gaining momentum as the number of manuscripts submitted is steadily increasing. We appreciate the efforts of all authors who have sent us high quality papers that have passed peer reviews and have been published in our journal.

The invitation for new reviewers is always open. According to this policy of the journal, we look forward to your applications and welcome useful suggestions.

All publications in JWEE are in English. Authors whose native language is not English should ensure that their manuscript is written in idiomatic English before submission. Finally, we would like to remind you to follow the guidelines for authors.

We kindly ask you to quote articles from our journal correctly and to send us unpublished articles.

Best wishes and thank you in advance for your contribution!
