

## Notes from the Editor-in-Chief

The JWEE seeks the input of top quality scientific contributions. We expect the original scientific papers of even higher quality and in a larger number.

All publications in the Journal are in English language. Authors whose first language is not English should make sure their manuscript is written in idiomatic English before submission. At last, we want to remind you to follow the author's guide.

On behalf of our Editorial Board, we appreciate your interest in the JWEE and look forward to hearing from you soon.

Best wishes and thank you in advance for your contribution in the New Year 2018!

November, 2017.
