

## Note from the the Editor-in-Chief

JWE publishes original papers, case studies, book reviews and other peer papers. Special issues dedicated to important topics in gender aspects of entrepreneurship and education. They are also published on the occasional basis.

This is a special issue of the Journal, devoted to **"EDUCATING WOMEN ENTREPRENEURS: PAST, PRESENT AND FUTURE PERSPECTIVES"**.

We are grateful to the Journal guest editors - **Dr. Doan Winkel**, *Assistant Professor of Entrepreneurship College of Business, Illinois State University, United States*; **Dr. Jeff Vanevenhoven**, *Assistant Professor in Management, College of Business & Economics, University of Wisconsin–Whitewater, United States* and **Mark Geiger**, *Doctoral Student, School of Business, University of Kansas, United States* for their a valuable contribution in its creation.

Thank you!
